# Larry Kamphaus Award

In 1998 Larry Kamphaus passed away from a sudden heart attack. Because of Larry's dedication to the Central Florida Golf Course Superintendent's Association and the Crowfoot Open, the chapter added Larry's name to the tournament and established an award to honor Larry's legacy. With the assistance of longtime friends and superintendents at Disney, Joel Jackson and Scott Welder, we set the parameters in which the award should be based upon.

- Family values and community service
- Dedication to employer
- Dedication to the golf industry
- Ties to central Florida Chapter
- Mentoring of employees
